How It Works

1. Coaches work with our reps to set up campaigns.
2. Participants send emails and text messages to their friends and family.
3. Watch the funds roll in.

Support Matters

We provide programs with three levels of support for campaign success: a dedicated Snap! Raise Rep, Account Manager, and a team of Customer Support Experts.

Compliance Matters

We built our platform to comply with a vast array of local, state, and federal rules. Since inception, we have **never** been found in violation of any compliance matters, thanks to our dedicated customer support and compliance team.
